To Whom It May Concern

I have known Tony Loughhead for more than 6 years and have consistently utilised his services as a Driving Instructor for clients of mine whilst working at Multicultural Youth SA (MYSA) and more recently in my role as Senior Youth Worker at Thebarton Senior College.

When it comes to quality driving instruction Tony is someone I have consistently turned to time and time again. Not only is he an instructor of the highest quality, he is also highly skilled at communicating with people of mixed levels of English proficiency. Most importantly his price point is outstanding and his work with young people is second to none. I believe it would be extremely difficult to find a better instructor at such an affordable cost and have no hesitation in recommending him.
